

STREAX

FAQs

Q. Do I need any experience of working with bacteria to participate in Streak?

No prior lab experience is needed for this event. The coordinators at Biofest will guide you and teach you all the techniques needed to participate in Streak

Q. Can I catch any diseases from the bacteria I will be working with for Streak?

All work during Streak will be done under a sterile Laminar Flow Hood, minimising your interaction with the bacteria. Furthermore, our coordinators will ensure that all participants thoroughly wash their hands before and after the event.

Q. Do I need a lab coat and/or lab goggles for the event?

Participants do not require a lab coat or goggles. All materials required by a participant will be provided at the venue.

Q. What is the prize money for Streak?

1st Place - Rs 1500

2nd Place - Rs 1000

3rd Place - Rs 500

4th to 10th Place - Rs 200 each
